CAMPBELL, and KENNETH PIESLAK,

Defendants.

DECLARATION OF RABBI MAYER CENSOR

RABBI MAYER CENSOR declares as follows, pursuant to 28 U.S.C. § 1746:

1. I am the dean at Nesivos Hatorah, an elementary school for boys at 655 Princeton Avenue in Lakewood, New Jersey.
2. I submit this declaration in support of Plaintiffs' motion for a preliminary injunction.
3. Our school is growing very quickly. This is the 4th year that we are open and we already have 2 classes per grade.
4. We have students from Jackson who have to travel a great distance because there is no school in Jackson which furthers their religious beliefs.
5. Our greatest challenge is to find space for a minimum of 50 new students each year. This year we had to turn away 100 students, as 150 students applied for 50 spots
6. Our lease in Lakewood expires next year and we cannot remain in that location because it cannot accommodate our school's growth.
7. There is not much land left in Lakewood that would accommodate the exponential growth that we are facing.
8. We would like to locate our school in Jackson.
9. We have looked to locate our school in Jackson, but have been told that our school is not permitted to be built in Jackson due to laws passed which are designed to keep us out.
10. Ours is not a unique situation. It is my understanding that there are many yeshivas that would like to locate in Jackson, but are not able to due to Jackson's laws.
11. Students from Jackson are on the bus for approximately 1 hour each way. They are often late to school and miss their morning prayers, which is the first class of the day. The lack of religious schools in Jackson are therefore causing Orthodox Jewish

children in Jackson to not receive the religious education required by our religious beliefs.

12. Many young Orthodox Jewish families are moving to Jackson, so there are more schools needed in Jackson. If we were able to move to Jackson, we could serve more Orthodox Jewish students in Jackson.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
